Dear Member,

Thank you for your continued support!

Just a friendly reminder.

Memberships must be current in order to vote on up-coming March 2015 Officer Elections.

Membership revenue and active volunteers allow us to offer museum programs, maintain operations, and remain open to the public Monday through Saturday all year.

New volunteers are always welcome. If you are willing to give of your time and value the importance of our history we have a place for you.

As a member of the Seaside Museum & Historical Society you receive free admission to the museum, 10% discount on purchases from the gift shop, our quarterly newsletter and entitlement to vote at our annual Membership Meetings.

Our "membership year" is January to January. Will you please take a moment to renew your membership? Your contribution may be tax deductible in accordance with applicable laws. Please make your check payable to "Seaside Museum & Historical Society". A return envelope has been included for your convenience:
